This Report on Form 6-K is incorporated by reference into the Registration Statement on Form F-3 of the Registrant filed with the Securities and Exchange Commission on August 6, 2018 (File 333-226611).

March 23, 2020 – Atlantica Yield plc (“**Atlantica Yield**” or the “**Company**”) today announced that its special committee (“**Special Committee**”) has concluded the previously announced review of the Company’s strategic alternatives by reaffirming the Company’s current strategy as a leader in Sustainable Infrastructure.

This extensive review included evaluation of various ownership options and resulted in significant interest from prospective investors. At the completion of the process, the Special Committee concluded that continuing to execute on the Company’s plans was the best path to maximizing long term shareholder value. Furthermore, current market volatility did not provide the Company, at this time, with the opportunity to maximize shareholder value through a corporate transaction.

The Company has a track record of generating strong cash flow and intends to continue growing CAFD of the existing portfolio through organic growth, continued operational excellence and refinancing opportunities, while capturing growth opportunities and will remain open to new opportunities. The Special Committee has been terminated.
